Ministry Opportunities

C...C...C...*Centered...Connected...Committed.* Our focus at Central is to help you become a fully committed follower of Christ. Being committed to *servicing* the Lord is a part of that. Serving the Lord can take you to the other side of the world or your service might take place right here in our own backyard.

Our Properties Committee has a number of opportunities for you to serve the Lord at Central. One responsibility of the committee is the oversight of maintenance of the building. We have several projects that currently need to be done: replacement of some guttering, landscaping, drainage, changing bulbs on the marquee, brush removal, etc.

If you or your Small Group are looking for a ministry project, please contact **Don Tatum**, chairman of the Properties Committee, or **Matt Flindt** in the church office.

The church will provide the materials if you will provide the willing hands and the sweat.
